SESSION FEE

\$300

- THE \$300 SESSION FEE COVERS THE TIME/TALENT OF THE PHOTOGRAPHER & PAYING THIS FEE IS WHAT SECURES YOUR SPOT ON OUR CALENDAR.

A note about the session fee: The session fee is non-refundable. In the event of client cancellation, it compensates your photographer for the loss of revenue/inability to book other clients in the time spot held exclusively for you. We require 24 hour notice of cancellation. If you opt to reschedule that session within 4 weeks of the initial session date, your session fee will apply towards your new date. If you do not wish to reschedule, \$150 of your session fee will be returned to you.

AFTER YOUR SESSION, YOU'LL BE INVITED TO VIEW YOUR IMAGES & SELECT A PACKAGE THAT BEST FITS YOUR NEEDS.

- Edited Digital Images

A note about digital images: When you purchase a print package, you receive the digital negative of every image you purchase in print. Therefore this package is only economical if you want every edited image that we reveal from your session & have no desire to own professional prints. This package is typically purchased by our corporate clients.

Due to the custom nature of printed products, all sales are final. We want you to be happy with your professional prints; please notify us of any damages or issues to your printed products within 72 hours of receiving your order so that we may work alongside our professional lab to remedy the issue. If you would like to add a product to your collection, please let us know and we'd be happy to price that for you.
